Please stay tuned for a re-cap of Fall 2021 and Spring 2022 Events

[Important & Timely Items: MID-YEAR REMINDERS](#)

- **MID-YEAR GRADES:** Many colleges are awaiting your mid-year grades to make final decisions. Make sure they are your **BEST GRADES YET!**

- **SENDING MID-YEAR GRADES:** IF colleges are requesting mid-year grades, you must request them in the same manner you requested grades in the Fall. Your Green Form is on file in Mrs Bonanno's Office. (Check Canvas later this week for a reminder video)

- **APP DEADLINES and ON-LINE PORTALS:**

APP DEADLINES: As long as your application is submitted by the deadline, transcripts and recommendations, etc. can follow

ON-LINE PORTALS: Remember, admission offices are just re-opening after a long Holiday Break. Prior to closing, they were likely inundated with thousands and thousands of transcripts, recommendations, and applications. *Even if your info was sent prior to Thanksgiving, it may still likely being processed and matched with your application, depending on the app deadline, volume of info received, and staffing of the admission office.*

Don't Panic. Give schools until the beginning of next week, then let Mrs. Bonanno, Mr. D, or Mr. Piersol know if info appears to be missing.

- **FINAL GRADES:** The college you ultimately choose to attend will look for final Senior Grades, so... **FINISH THE DRILL. SAY NO TO SENIORITIS. IT. ALL. MATTERS!**
