AP Literature and Composition
Mrs. Charles
2015 Summer Assignment

Read the following novels:

Mrs. Dalloway by Virginia Woolf
Anna Karenina by Leo Tolstoy

RESPONSE PAPER: Write a response paper in which you discuss the perceived role of women in the society represented in the novel. Use the female main character in the novel as the focus of your discussion.

This is not a research paper and therefore should not include research. The paper should be composed of your own thoughts on the subject which are then supported by facts and quotes from the novel. Discuss both novels in this single paper. Focus on the single female main characters only.

Directions:

4 typed pages

12 font / TNR / db spaced
