

# BERKS CATHOLIC HIGH SCHOOL

Christ-Centered Academic Excellence

March 22, 2020

Dear Saints Families,

I am hopeful that you and your families are all safe and well. Here is a school update.

We are entering week two of our time at home. Work will be posted Tuesday, March 24, through Thursday, March 26. This schedule gives all students an opportunity to complete any prior work or missing work, as this third quarter ends on Friday.

Because the quarter ends on Friday, students are reminded to check Canvas daily (Monday and Friday, too) to make sure all their grades have been posted **and** that they are correct.

Additionally, if your child was out of school either sick or at an event (like DECA), and they have any outstanding work from those days, this week will provide an opportunity for them to close out the quarter in the best way possible. Students should continue with the work posted this week, and Canvas message their teachers with any questions about grades or assignments.

Each school day at BC, we start with a morning prayer and announcements. Each day I will post on Canvas with a prayer/reflection, along with daily announcements...I think it is important that I message the students directly.

As we move toward the end of the week, I will be in touch with you again, to let you know our plan if we continue to be closed beyond these two weeks.

Administrators and subject area teachers have been and will continue to be in touch with each other to discuss how we can best continue to teach our students in the 4<sup>th</sup> quarter.

I appreciate your prayers, patience, and support as we continue to find new ways to connect and to navigate uncharted territories.

May God bless each of you during this time and always. Thank You...

Alice Einolf
