

Hey Saints Fans!

The 2020-2021 season is finally upon us. Berks Catholic is pleased to announce that we will be streaming sports beginning this fall, in a new mobile App based in Reading called **Small Player Big Play**. The App will provide fans live streaming of events and on demand replay access to all sports. A major reason why Berks Catholic is using Small Player Big Play is the App's flexibility and ability to provide our families the opportunity to see their children in action during this new social distancing environment.

The Small Player Big Play App is free to download. You will need to set up an account. All you need is a valid e-mail address. Small Player Big Play App Streaming has a unique "Give Back" component. Fans will be prompted to subscribe when you begin to view our streams in the "Gamestreams" section of the App. You can subscribe for a day, month or year. 80% of the subscription proceeds will be returned by Small Player Big Play to Berks Catholic. The App will prompt you to direct your subscription to Berks Catholic. An added subscription benefit is that you have access to all the video in Small Player Big Play. There will be other schools in the area and around the country using Small Player Big Play. Small Player Big Play has a social media component as well. Fans or parents can post game day images and short videos about their favorite teams and players.

Berks Catholic is looking forward in using Small Player Big Play for streaming as many games as possible this season. We do expect that there may be a learning curve in getting this program up and running. Berks Catholic appreciates everyone's patience and help in this venture. For a chance to see all of our Saints, tailgate at your very own tailgate party, and enjoy the game from the comfort of your own home, please log on to <http://www.smallplayerbigplay.com> and sign up now!

It's a great day to be a Saint!
